- a Come to Trestan. It's small, only one and a half kilometres long and a half a kilometre wide so you don't have to walk far to get to the shops or cafes. It is also amazingly quiet because no cars are allowed and, after a day in the clear, blue sea, most people are asleep by 9 p.m.
- b Come to Langstown this year. Stay right next to a lake in a popular village only 50 km from Manchester. The lake is perfect for fishing because there are no boats or swimmers to disturb the fish. The hills and forests near Langstown are a perfect place to explore on foot and you'll never be far from a friendly face. In the evenings, Langstown comes alive with parties and fun.
- c Raha is a holiday with a difference. A car will take you to this house in the mountains and leave you with enough food and drink for a week. It will then collect you again a week later. Apart from that, you are on your own to enjoy the peace and quiet, far away from the discos and nightclubs of the nearest resort, over 50 km away.
